THAI ON THE ISLAND CHARITY

Thai on the island opened in December 2010. In this time we have managed to raise over 100k in tips. With this staggering amount of money we have been able to improve the facilities at two Thai primary schools in Chon Daen district, Phetchabun province in central Thailand. This includes a library building, pictured below.

So when you call in to pick up your takeaway, if you have some loose change of any denomination we will gladly put it to good use and give these kids the opportunity of a good education.

We are plastic bag free. Please bring a carry bag for your takeaway.
